

ORIGAMI TREAT BALL

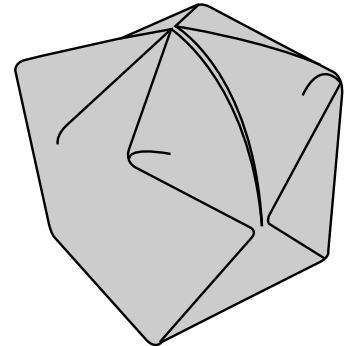

Indulge your cat with fun and flavor with this paper ball — it will be a tempting activity for the both of you! Just be sure to supervise your cat until he or she is done playing with the toy.

You will need:

Letter size (8.5 x 11") paper cut into a 8.5" x 8.5" square

Scissors (optional)

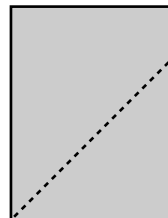

A **Temptations**® treat or two!

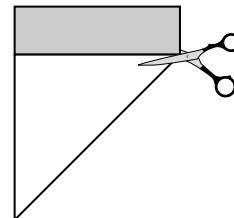

Making a perfect square

Fold one corner upwards, aligning the meeting edges. Cut off the top rectangle that pokes above the triangle. Open up the paper for your square.

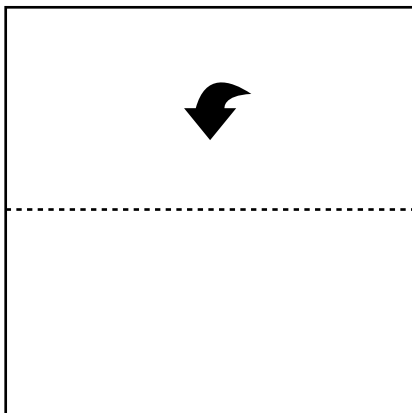

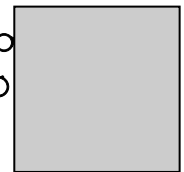

Step 1

Step 2

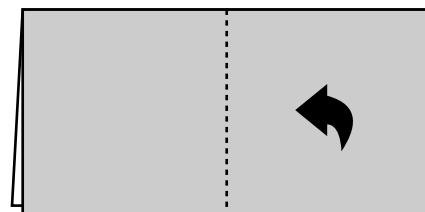

Step 3

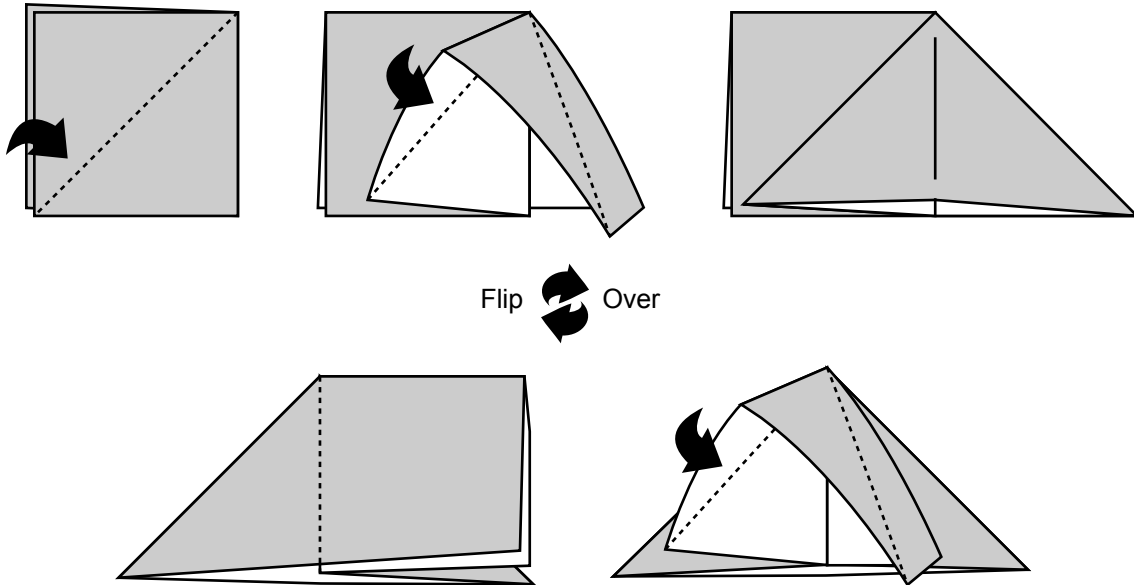

Step 1

Fold the paper down in half to make a rectangle.

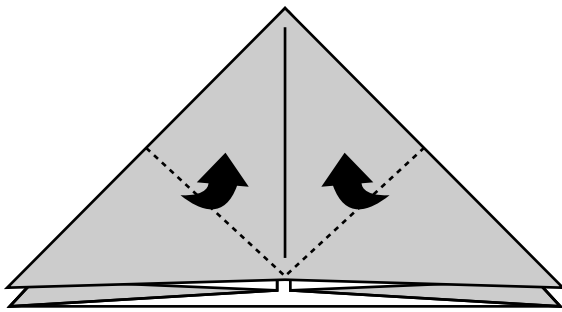

Step 2

Fold it in half again to create a square.

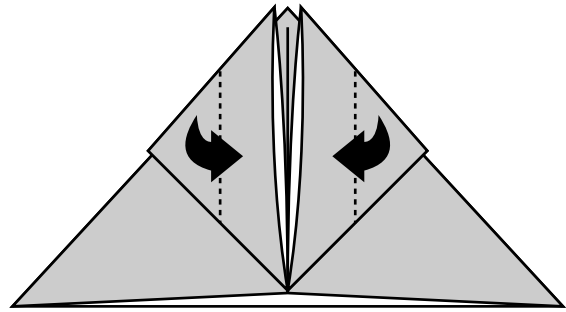

Step 3

Open the front half of the paper towards you, spread it open and fold the tips down to create a triangle. Flip over and repeat on the other side.

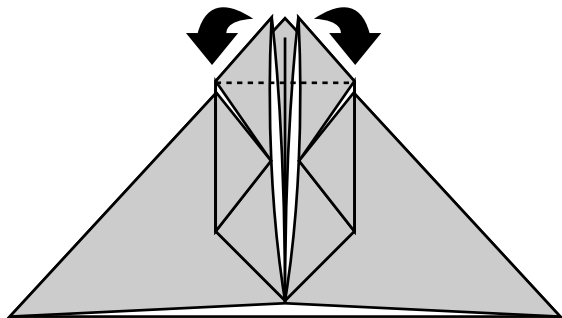

Step 4

Fold the outer corners of the triangle up to meet at the top.

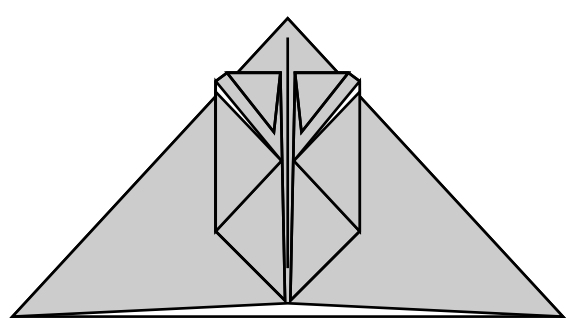

Step 5

Fold the outer corners in so the points meet at the centre.

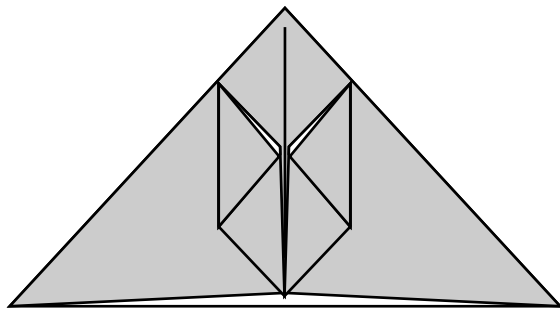

Step 6

Fold the top points downwards.

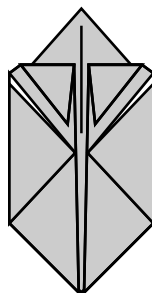

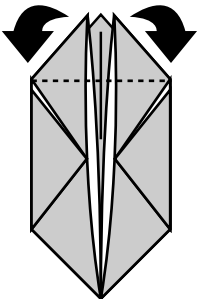

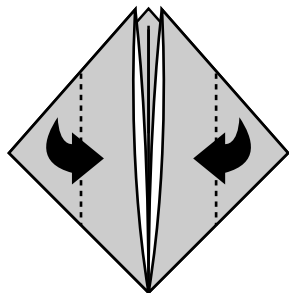

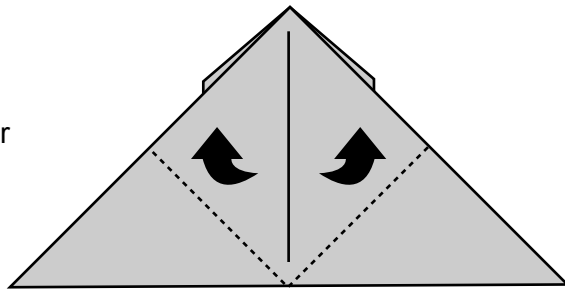

Step 7

Tuck the points into the pockets you created in step 5

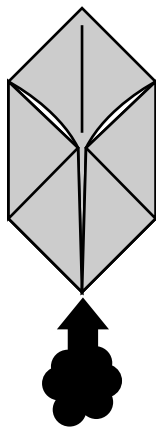

Flip  Over

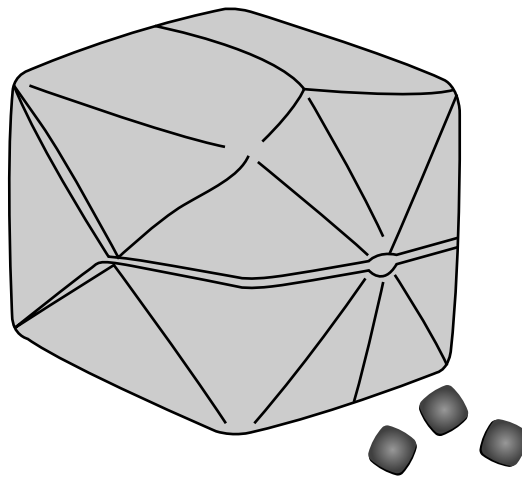

Step 8

Flip over and repeat 4 through 7.

Step 9

Blow air into the hole at the bottom and expand it into a ball.

Step 10

Slip a few **Temptations**® treats into the hole, and let your cat have a go at it!
